

**CAUTION:** On 1996-2004 Mustangs the Passive anti-theft system (PATS) must be disabled before installing the Race Panel. The car will not start with the factory instrument cluster unplugged unless the PATS is disabled. The PATS can be turned off using an aftermarket custom programmer or chip. SCT has existing software to turn off the PATS. **Contact SCT at 407-774-2447 or <http://www.sctflash.com/> for help disabling PATS.**

**NOTE:** Race panels can be painted using a plastic safe paint.

1. Remove two screws in top of factory bezel. Use small screwdriver in the slotted area of the light switch knob to release tension on spring clip while pulling forward to remove knob.
2. Pull forward on bezel from the inside bottom, detaching clips from the dash.
3. Install supplied aluminum brackets as shown in Figures 1 & 2.
4. Test fit the Race panel without gauges to properly align the aluminum brackets, but do not actually install the race panel at this time.
5. Now the gauges can be put into the panel. The 2-1/16 gauges are press fit. Tachometers, Speedometers, and 2-5/8" gauges use the brackets supplied with the gauges.
6. Complete the gauge installation per each gauge instruction.
7. Install Mustang Race Panel.

**SERVICE**

For service send your product in a well packed shipping carton to the address below. Please include a note explaining what the problem is along with your phone number. Please specify when you need the product back. Normal repairs take approximately ten (10) working days. If you are sending product back for Warranty adjustment, you must include a copy (or original) of your sales receipt from the place of purchase.

**Auto Meter Gauge Works Three Limited year Warranty**

Gauge Works warrants to the consumer that all Auto Meter Gauge Works products will be free from defects in material and workmanship. Products that fail will be repaired or replaced at Auto Meter Gauge Works' option to the consumer, when determined by Auto Meter Gauge Works that the product failed due to defects in material or workmanship. This warranty is limited to the repair or replacement of parts in the Auto Meter Gauge Works Product and the necessary labor done by Auto Meter Gauge Works to effect the repair or replacement of the Auto Meter Gauge Works product. In no event shall this warranty exceed the original purchase price of the Auto Meter Gauge Works product nor shall Auto Meter Gauge Works be responsible for special, incidental or consequential damages or costs incurred due to the failure of this product. Warranty claims to Auto Meter Gauge Works must be transportation prepaid and accompanied with proof of purchase. This warranty applies only to the original purchaser of product and is non-transferable. Improper use or installation, accident, water damage, abuse, unauthorized repairs or alterations voids this warranty. Auto Meter Gauge Works disclaims any liability for consequential damages due to breach of any written or implied warranty on all products manufactured by Auto Meter Gauge Works. This warranty is made solely by Gauge Works with Auto Meter being the agent to contact for warranty claims. If the partnership between Auto Meter and Gauge Works dissolves, then all warranty adjustments will be covered by the Gauge Works Co.
