

Chrysler Amplifier Bypass Harness 2007-Up

Visit AxxessInterfaces.com for more detailed information about the product and up-to-date vehicle specific applications

Refer to the following pages for the vehicle specific instructions for wiring connections. Wiring connections vary per vehicle. Please note that there are (2) different wiring harnesses included, and the instructions for each harness will be on a different page.

If it's uncertain whether the vehicle contains a specific speaker or not, test the wires with a tone generator, or check to see if the factory wires are populated on the vehicle side. Alternatively, the wires can be tested for impedance with a multimeter.

APPLICATIONS

Chrysler	Dodge	Jeep	Ram
200	2015-2017 Challenger (Base Amp)	2015-Up Cherokee	2014-2018
300 (Base Amp)	2011-Up Charger (Base Amp)	2011-Up Cherokee †	2019-Up
Town & Country	2008-2017 Dart	2013-2016 Compass	2017.5-Up
	Durango	2011-2017 Grand Cherokee (Base Amp)	2011-2017
	Durango (excluding SRT)	2018-Up Liberty	2008-2012
	Grand Caravan	2008-Up Wrangler	2007-2017
	Journey	2009-2018 Wrangler (JK body type)	2018
	Nitro	2007-2011	

† Without Active Noise Control (ANC)

TABLE OF CONTENTS

Connections

- White 22-Pin Harness.....2-3
- Black 16-Pin Harness.....3-6

TOOLS REQUIRED

- Crimping tool and connectors, or solder gun, solder, and heat shrink
- Tape • Wire cutter • Zip ties

Attention! Let the vehicle sit with the key out of the ignition for a few minutes before removing the factory radio. When testing the aftermarket equipment, ensure that all factory equipment is connected before cycling the key to ignition.

INSTALLATION INSTRUCTIONS

If you are having difficulties with the installation of this product, contact our Tech Support line either by phone at **1-800-253-TECH**, or email at **techsupport@metra-autosound.com**. Before doing so, look over the instruction booklet a second time and ensure that the installation was performed exactly as the instruction booklet is stated. Have the vehicle apart and ready to perform troubleshooting steps before contacting Metra/Axxess Tech Support.

KNOWLEDGE IS POWER

Enhance your installation and fabrication skills by enrolling in the most recognized and respected mobile electronics school in our industry. Log onto www.installerinstitute.com or call 800-354-6782 for more information and take steps toward a better tomorrow.
