## UNDER SEAT STORAGE SYSTEM

### Installation Instructions

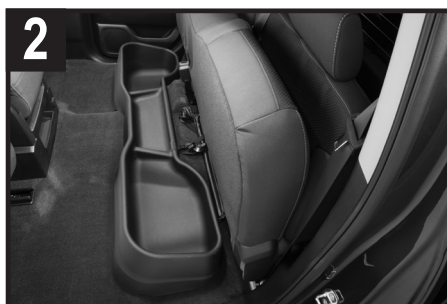

#### Package Contents

1 - Under Seat Storage

1 - Safety Strap

**1**  
Install the safety strap through the slot on the rear.

**2**  
Position the Under Seat Storage under the backseat as shown.

**3**  
Feed the safety strap through the tire/jack tools location.

**4**  
Clasp the safety strap and cinch it tight. If you need to remove, simply unclasp the strap.
